

Innovative Products and Services

Medical gases, products and services improving the delivery of healthcare

Gas Products

Medical & Scientific Gases

Bulk Oxygen – USP
Bulk Nitrogen – NF
Microbulk

Oxygen USP
Nitrogen NF

Pure Cylinder Gases

Oxygen USP
Carbon Dioxide USP
Nitrogen NF
Medical Air USP
Nitrous Oxide USP
Helium USP

Medical Gases Mixtures

Lung Diffusion Mixtures
Aerobic and Biological Atmosphere
Blood Gas Mixtures
Medical Drug Mixtures
Heliox
Medical Laser Mixtures

Laboratory Gases

Blood Gas Calibration Mixtures
Specialty Gases for
Chromatography

Cryogenic Gases

Liquid Helium
Nitrogen NF

Dry Ice

Equipment

Emergency Oxygen Supply Systems

Emergency Oxygen Supply
Manifold
Emergency Support

Gas Handling Equipment

Medical Gas Regulators
Specialty Gases Regulators
Storage Cabinets
Medipure Large Cylinder
Transport Systems
Dewars and Freezers for
Cryogenic Storage
Handheld Cryo-Freezing Devices
Manifold Systems

Equipment for Medical Gases Systems

Alarms
Zone Valve Boxes
Outlets and Modular Installations
Pumps & Compressors
Ceiling Columns

Services

Delivery to Hospitals and
Physicians' Offices

Construction Services

Preventive Maintenance

Atmospheric Monitoring

System Audits

Electronic Services

Web-based Ordering –
Praxair Express
Punch-Out Catalog
Tracker
Electronic Delivery Tickets
On-line Safety Training (CME)

Cylinder Management

Site Gas Services
Bar Code / RFID Technology

Shut-Down Services

Advanced Delivery Systems

High-Flow Therapy Products

Hi-Flow Heliox Therapy
Specialized Heliox Delivery
Cylinders

Pain Management

Inhalation Analgesia Products

Why Praxair Healthcare Services

Product supply and security

Source simplification
Emergency and disaster planning
assistance, specialized products
and services
Joint Commission and NFPA compliance

Technology and Innovation

Improve healthcare utilization and
patient satisfaction
Facilitate QIR reduction
Cost-containment

Ease of Doing Business and Systems Integration

Leverage IT investment in electronic
commerce including EDI, Punch-out
catalog and web-enabled orders

Serving Healthcare Providers Across the Continuum of Care

Acute Care

IDN Networks
Hospitals
Surgery Centers
Diagnostic Centers

Primary Care

Multi-Practice Centers
Physicians' Offices
Dentists and Oral Surgeons

Chronic Care

Home Oxygen Companies
DME Providers
Hyperbaric Facilities
